Dear Arnold Cohen,

I've forwarded your card to the Executive Director of the Clearwater. I'm just one of 8,000 members. In general I think, however, it is a good idea to try and reach everybody, no matter who they are, with necessary information. Although you are quite right. One does not want to get the Clearwater's name to be misused, and the Clearwater should work alongside of organizations that are fighting the abuses of these companies.

At the moment I don't know if the sail has been cancelled or not. I'll be out of the country for the next two weeks. Incidentally, I'd appreciate getting more information on exactly what CIBA-GEIGY has been up to. I do know that one of our Clearwater members, a neighbor of ours, was in court because she was one of the Greenpeace group that plugged up one of CIBA-GEIGY's pipes.

All the best,

Pete Seeger
